NOTICE TO THE MARKET

Transmissora Aliança de Energia Elétrica S.A. (B3: TAEE11) ("**Taesa**" or "**Company**") hereby communicates to its shareholders, the market in general and other stakeholders that, after the fulfillment of all the preceding conditions, it concluded on this date the acquisition of 100% of the shares of stock representing the total capital stock and voting capital of Rialma Transmissora de Energia I S.A. ("**Rialma I**"), through payment of the total amount of R\$ 60,482,000.00 (sixty million four hundred and eighty two thousand reais), after the adjustments resulting from the changes in the working capital and net debt balances between the base date (June 30, 2019) and the operation closing date (March 13, 2020).

Rialma I is an operational power transmission asset located in the state of Rio Grande do Norte, comprising the Lagoa Nova 11 – Currais Novos 11 transmission line, 230 kV voltage, double circuit, with an extension of 28 km and Annual Permitted Revenues ("**RAP**") of R\$ 12.6 million (2019–2020 cycle).

The acquisition of Rialma I reinforces the Company's growth strategy, in its pursuit of acquiring power transmission assets that generate synergies with its current lines and extend the average duration of Taesa's concessions, always based on the pillars of sustainable growth, financial discipline, operational efficiency, and value creation for shareholders, in addition to consolidating its leadership and position of reference in Brazil's power transmission sector.

Rio de Janeiro, March 13, 2020.
