NOTICE TO THE MARKET

Transmissora Aliança de Energia Elétrica S.A. (B3: TAEE11) ("Taesa" or "Company") hereby announces to its shareholders, the market in general and other stakeholders that the State Foundation for Environmental Protection - FEPAM (*Fundação Estadual de Proteção Ambiental*) has issued the last Installation License ("L") for the transmission line LT 230kV Livramento 3 – Santa Maria 3 - (C1) and for the extension to the associated existing substations, in relation to the facilities of the concession Sant'Ana Transmissora de Energia Elétrica S.A. ("Sant'Ana"). After obtaining this license the Company is authorized to start the construction of these facilities.

It is worth mentioning that the other installation licenses for the transmission lines LT Livramento 3 – Alegrete 2 - (C1), LT Livramento 3 – Maçambará 3 - (C1), LT Livramento 3 – Cerro Chato - (C1) and sectionings LT Maçambará – Santo Ângelo (C1/C2), all of 230kV voltage, as well as for the extensions to existing substations SE 230kV Alegrete 2 and SE 230kV Cerro Chato were obtained on April 8, 2020. And also the Unified Preliminary and Installation Licenses ("LPI") for substations SE 230kV Maçambará 3 and SE 230kV Livramento 3 were obtained, respectively, on October 17, 2019 and October 18, 2019. Therefore, the works related to these facilities are already in progress.

Sant'Ana is a project of lot 12 of the transmission auction No. 004/2018, held in December, 2018, 100% controlled by Taesa. Sant'Ana has a total RAP of R\$ 62.1 million for the 2020-2021 cycle and an ANEEL Capex of R\$ 610 million. The project is located in the State of Rio Grande do Sul, with an extension of approximately 591 km of transmission lines. The deadline set by ANEEL to energize Sant'Ana is March 2023.

Taesá reinforces its focus on the execution and delivery of the 6 projects under construction, totaling R\$ 3.2 billion in investments and R\$ 567,5 million in RAP (Taesa's stake), seeking efficiencies in the project schedule, in Capex and in financing, with the objective of extracting even more value from these projects.
