NOTICE TO THE MARKET

Transmissora Aliança de Energia Elétrica S.A. (B3: TAEE11, TAEE4 and TAEE11) ("Taesa" or "Company") informs its shareholders, the market in general and other interested parties that the National Electric Power System Operator ("ONS") issued in May 2023 the Release Terms ("TLs") for the LT Livramento 3 – Santa Maria 3, SE facilities Santa Maria and Synchronous Compensator of SE Livramento 3, for the Sant'Ana Transmissora de Energia S.A. ("Sant'Ana"). The TLs were issued retroactively to the respective installations' energization dates this month and add approximately R\$ 28 million of Annual Permitted Revenues ("RAP") for the Company, or approximately 36% of the RAP of the project. As a result, Sant'Ana is now entitled to receive, ahead of ANEEL's scheduled completion date of July 2023, approximately R\$ 71 million in RAP (2022-2023 cycle) or around 91% of its total RAP, already including RAP of R\$ 18 million and R\$ 25 million from the energizations that took place in April and November 2022, respectively.

Sant'Ana is a project for lot 12 of transmission auction nº 004/2018, held in December 2018, 100% controlled by Taesa. Sant'Ana has a total RAP of R\$77.8 million for the 2022-2023 cycle (grossed up by PIS/COFINS). The project is located in the State of Rio Grande do Sul, with an extension of 606 km.
