**NOTICE TO THE MARKET**

**Transmissora Aliança de Energia Elétrica S.A.** ("Taesa" or "Company") hereby announces to its shareholders, the market in general and other stakeholders that it has learned about the approval by the Superintendence of Development for the Northeast ("SUDENE"), through Resolution 316/2018, for the 75% reduction in the Corporate Income Tax (IRPJ) – Deployment modality – for Janaúba Transmissora de Energia Elétrica S.A. ("Janaúba"), which will give it the right to tax incentives. Janaúba is then obliged to inform SUDENE of the effective operation entry, in the year of its occurrence, during when it must provide the information required at the current regulation, in order to issuing the appraisal report for the fruition of the tax benefit.

Janaúba is a project fully owned by Taesa and currently under construction from Lot 17 of the second part of transmission auction 013/2015, held in October 2016. This project is located between the states of Minas Gerais and Bahia, with a total extension of 542 km in transmission lines and 3 substations, totaling R\$ 960 million in investments (ANEEL Capex) and Annual Permitted Revenues (RAP) of R\$ 185.4 million for the 2018-2019 cycle. The deadline set by ANEEL to energize Janaúba is February 2022.
